"Listening to "Come My Way" by Jane Maluka . A beautiful tune.. Like a folktale, the story teller telling youths who are seated, listening to the story, which is also the dream of the story teller, on UNITY, PEACE, RESPECT, LOVE, JOY and LAUGHTER. Love the gentle and soft drum beats and the male voice who makes "come my way" sound like a south african slang or word.. beautiful piece" - Asi Oluwatobi Ehianoga ng/it

"Découverte: Jane Maluka, une artiste de paix au service du monde (Elle chante l'amour, le pardon, l'union...)"

"D'un visage souriant qui respire la vie, Jane Maluka est le prototype d'artiste qui plaide pour un monde beau, exempte des perfidies, conflits et violences. La soixantaine environ, « Jane » est d'un regard passionnant qui inspire la douceur et l'amour. Visionnaire, activiste de la paix, elle s'est armée de courage pour aller à la rencontre des communautés à travers une musique atypique. Ma rencontre exceptionnelle avec cette citoyenne du monde en Juin 2006 au Danem-David ZOUEME Free lance journalist and more, Benin West Africa
